## EXPERIENCE

### DESIGNER @ Neu Concepts

Sept 2019 - current - 3.5 years - Durham, NC

Designed and built fully customized trade show exhibits, interiors, and experiences. Led team through full-service design process, from concept iteration, photorealistic rendering, pitching, production detailing, graphic design, and fabrication. Also provided travel supervision for complicated installations.

### FABLAB STUDENT SUPERVISOR @ JMU SADAH

Sept 2016- May 2019 - 3 years - Harrisonburg, VA

Student supervisor of SADAH woodshop and prototyping lab. Leadership role offering advice and tutoring to students from all departments. Programmed, ran, and maintained CNC machine, laser cutter, 3D printers, & industrial powertools.

### CABINETMAKER @ Lantz Custom Woodworking

Summer 2018 - Harrisonburg, VA

Built custom furniture, cabinetry, and architectural millwork for residential and commercial clients. Involved in the making process from CNC to finish room. Heavy emphasis on minute details, quality of craft, and perfect finish work.

### CREATIVE INTERN @ Christ Church Vienna

Summer 2017 - Vienna, VA

Mentored students in the budding youth program at CCV, led international service trips to Chile & Patagonia, conceptualized swag & invitations to youth events, and organized events.
